

Try it yourself!

Add a heartwarming touch to your Christmas gifts this year with a personalized gift tag! Pick out your loved one's favorite holiday object (ginger-bread man, mistletoe, angel, etc.), outline the shape with your 3Doodler pen, write their name in the center, and Doodle to fill up the rest of the shape. Add a loop to the top of the tag to finish.

Stencils

Scale & print to desired size.
